

**Grouded and Solution Oriented Programmer with a Strong Programming Knowledge, Learning the Infinite Curve Of Passion, Passionate about Data Science and Machine Learning, Seeking to Innovate Things in Artificial Intelligence**

## Projects

**Seattle Collision Data - severity prediction**

**Audi Car Price Prediction**

**Iris Species Classification**

**Heart Failure Prediction**

**Bread Basket Analysis(Visualization)**

**Digit Recognizer Predicting hand written digits using TensorFlow**

**Fashion Mnist classifier using TensorFlow**

**Rock Paper scissor Classifier using TensorFlow**

## Certification

**IBM Data Science Professional Certificate by Coursera**

**Applied Data Science Certificate (Michigan University) by Coursera**

**Tensorflow Developer professional Certificate by Coursera**

**Python Programming Certifiacte by SSI Computer Education**

**C, C++ Programming Certificate by SSI Computer Education**

**JavaScript Programming Certificate by SSI Computer Education**

## Education

**Bachelor of Engineering (Mechanical) from,  
Panimalar Engineering College (Affiliated to Anna University)  
2017-2021(present)**

**Higher Secondary Certificate from,  
Sri Venkateshwra Matric.Hr.Sec school  
2016-2017**

**Secondary School Leaving Certificate from,  
Sri Venkateshwra Matric.Hr.Sec school  
2014-2015**

# Hari Hara Prasad

## Personal Info

### Date of Birth

07-02-2000

### Address

No.202, 12th Street,  
Venkatachalam Nagar,  
ThirumullaiVoyal,  
Chennai-600 062

### Phone Number

+91 9940322172

### E-mail Id

hhp07022000@gmail.com

## Hard Skills

### Python

- Data Structures
- Data Analysis
- Data Visualization
- Machine Learning
- Deep Learning
- Computer Vision
- Sql

### Git

### C, C++

### JavaScript

### HTML

### CSS

## Soft Skills

- Creativity
- Quick Learner
- Communication Skills
- Problem Solving
- Adaptability

## Portfolio
